

The Fargo Film Festival's 2-Minute Movie Contest

Movies must be received by date indicated on official festival website along with this completed form.

Walk-in submissions are not allowed. All movies must be entered by the official entry deadline. Submitted movies must have a title.

There is no fee to enter and contestants may enter up to two movies per moviemaker. Moviemakers must hold copyright clearance to all images and music.

Movies must be submitted on a flash drive (as a .mov) or on Mini-DV tape. The contest does not accept movies on any other format. Entries on DVD will not be accepted. Do not under any circumstances submit your original or master copy. If possible, drives and tapes will be returned to moviemakers.

If the final number of entries exceeds the total running time allotted for the screening, judges will select the program from the pool of entries. There is no guarantee that your movie(s) will be screened.
